## LADIES' FORTY-TWO CLUB.

Members of the Ladies' Forty-Two Club were delightfully entertained on Thursday afternoon with a social at the home of Mr. and Mrs. L. E. Heath, H. J. Meyer and Sadie Hutzler as hostesses.

The new name, that of Mrs. E. J. Meyer, was added to the membership.

After playing of "42" soon gave way to discussions and formulations for an entertainment to be given at the home of Mr. and Mrs. L. E. Heath, on Saturday, December 15, in honor of the husbands and wives of the club members.

Decorations, and table decorations, were to mind the thought, "Verily this is Saint Nicolas Day, and a gift to us he seems to have paid." Vases, holding graceful poinsettias, plate favors of miniature pastries, and sandwiches in holly packages completed a color scheme suggestive of the day.

A dainty luncheon of sandwiches and hot coffee were served to the guests. Mesdames Earl Boon, F. S. Batot, Horace Bradley, F. S. Batot, Fletcher Davis, L. E. Heath, E. J. Muennink, E. J. Murray, O. Miller, H. J. Meyer, R. J. Noonan, R. W. Speece, F. H. Speece, W. H. Smith and C. J. Noonan.

The hostesses for the next meeting of the club, which will take place on January 3rd, will be Mesdames E. J. Miller, M. H. Muennink and C. J. Noonan.

## NOTICE.

Deaconess Marie Gallison will be at the auditorium at Hondo on Saturday evening, and at 11:00 o'clock Sunday.

## BIRTHDAY PARTY.

Mrs. Ed. Cameron entertained on Wednesday evening in honor of her son, Wood, and her little daughter, Bonnie Jack, whose birthday it was.

The large birthday cake had a circle of sixteen lighted candles surrounding two candles as a double remembrance—Wood being sixteen years of age and his sister two. The guests were required to wish and blow out the candles. Each guest made his own favor, a "lolly pop lady", and then a "nutty" contest was held in searching for numbered pecans. Earl McClaugherty won in this. Mrs. F. S. Cockrell and Miss Rhoda Mae Taylor entertained with "jazz" and flashlight pictures of the group completed the evening.

Wallace Heath, son of Mr. and Mrs. L. E. Heath, who took a course in architecture in France the past summer and who made quite a tour of Europe following the closing of the school, returned to the States early in the fall, landing at the port of New York. On landing Wallace learned of the precarious health of Mayor Hylan and concluded to bide awhile in the metropolis and await eventualities. Should the Mayor continue ill, it is possible a successor may have to be named and Wallace wanted to show them what Hondo had to offer for the position. Meanwhile, he has accepted a position with the Architectural Forum and, temporarily at least, has settled in New York. However, we hardly think Wallace has left Texas for good, and expect him to gravitate back to his native heath before a great while.

Deaconess Marie Gallison of New York is in town. She represents the Central Committee Inc., of New York, which was so fortunate as to get General Allen to head the All American Committee to help raise funds for the starving children of Germany. Deaconess Gallison will tell her story of Germany on Saturday night at 7:30 in the auditorium. She takes up no collection—but she hopes to organize a committee that will raise funds in Hondo after she has left. At least, two million children will starve unless America helps. General Allen was at the head of the American troops in Coblenz and loves the Germans. Deaconess Gallison has spoken in Austin, San Antonio and lately in Mason, Fredericksburg, Comfort, Boerne, and New Braunfels. She has met with great success everywhere. Hondo does not wish to be left out of the hundred places Deaconess Gallison is to visit.

The Sons of Herman Lodge of this place have sold the auditorium to Mr. Luder of San Antonio for a cash consideration of \$1,900.00. Mr. Luder intends to open up a first-class moving picture and vaudeville show in the building, but we are not informed as to just when it will open up for business.

On Sunday, Dec. 9th, at 8:00 p. m., there will be given a Hawaiian Musical Concert and Vaudeville, by the famous "Poblete Raymond's Hawaiian Serenaders," at the Electric Park Hall, Castroville, Texas. A good time assured to all who attend. Everybody invited.

Mrs. Ray Jennings spent Thursday and Friday in San Antonio where she was the guest of her aunt, Mrs. R. G. Allen.

It is becoming so common for men of prominence to visit Hondo that none save a king or president attract any attention. Hon. Herbert Work, first Postmaster General and later made Secretary of the Interior in the Harding administration, was a visitor in Hondo Wednesday and his visit was treated as a matter of no concern by our people. It takes more than a cabinet officer to provoke interest among our people.

J. W. Ulbrich, one of our most successful farmers, was a business caller at this office Saturday and moved up his subscription date. A few years ago Mr. Ulbrich bought a farm a few miles below town that was so over-run with Johnson grass that its owner was glad to be rid of it and Mr. Ulbrich's neighbors thought he would starve to death on it. But this same farm has netted \$20,000 clear money during the last four years. This is a record few farmers could beat. Mr. Ulbrich says the Johnson grass is getting ahead of him during this rainy weather, but he is glad of the fine season just the same.

PLANTS FOR SALE.—Winter Cabbage, Lettuce, Kohl-Rabi, Beet and Onion plants at 10c per dozen; Cauliflower, 20c per dozen Mrs. H. B. Taylor.

August Barth was a business caller at this office yesterday and moved up his date, taking advantage of our combination subscription rate to join the growing family of Farming's Folks. Mr. Barth told us of an experience on his farm that is worth passing along. Last year he and his son sowed four acres in sorghum for hay. They mowed one cutting from it. The second crop got only about two feet high and having plenty of hay any way his son took his disk and plowed this second growth under, the latter part of July or first part of August, while the plants were still green. This spring the four acres along with the rest of the field was planted in corn and the crop on the four acres was so much better than that on the rest of the field as to be quite noticeable. The humus supplied by the decayed cane was the secret of the better crop on these four acres. Most West Texas soils need humus. And the best time for plowing under vegetation is when it is still green, as Mr. Barth did.

## Nervous Break-Down

ANNE LANGE, of F. D. I., Burlington, Tex., writes as follows regarding her experience with Cardui: "Some time ago I had a nervous breakdown. I was very nervous. I had fainting spells and suffered a great deal from the weak, trembling, and feeling that nothing I did would help. I began the use of Cardui and I could not get enough of it. I had been helped by its use."

I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides.

If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years. Ask for, and insist on, Cardui.

## ROUND ABOUT THE HOME

HOLIDAY CAKES AND MENUS.

By Helen H. Downing,  
Director of Home Economics.

No Christmas is complete without the extra delicacies and confections so much enjoyed by children and grown-ups as well. The planning and preparing of the dainties to fill boxes for little friends is great fun and to fill Christmas baskets for those less fortunate than ourselves should be considered a great privilege.

Selecting a suitable Christmas gift at the last minute is sometimes quite difficult. But, a box of cakes, cookies or other sugary dainties is always most acceptable and the work put into its preparation is appreciated. No gift can be made to look more Christmasy than a pretty box of cookies, or a carefully wrapped fruit cake.

And, for the stranger in your neighborhood, or friend who cannot go home for Christmas dinner, the gift most acceptable, would be an invitation to Christmas dinner.

For this Christmas, I have suggested two menus and several recipes. If any additional menu suggestions, or recipes, or questions on table decoration, are sent to the writer, in care of this paper, they will be promptly answered.

"After more than two years of so-called readjustment, the only man in the country today who is compelled to produce at a pre-war return and buy at prices near the wartime peak, is the farmer. While the farmer today is compelled to take less than the cost of production for his wheat and for other of his products, his dollar still is the 68-cent dollar. That is all it will buy of other men's goods. It is a terrible disadvantage." —Capper's Weekly, Senator Capper of Kansas is Chairman of the Senate Farm Bloc.

Each recurring winter sees thousands of dollars worth of humus going up in smoke on the farms of this country. If this residue, left from the crops after the harvest, was properly plowed under before planting time is too near it would serve a useful purpose in putting the soil in proper condition, and would materially benefit next year's crop.

## Mrs. Heath Says She Feels Fine

SAN ANTONIO WOMAN IS RE-  
LIEVED OF DIZZINESS BY  
TAKING STELLA VITAE.

"I was miserable before taking  
Stella Vitae, but now I am simply  
feeling fine," said Mrs. A. W. Heath,  
1035 Culebra Ave., San Antonio,  
Texas, recently.

"I was troubled with irregular  
periods and terrible dizzy spells.  
Why, I almost fell to the floor at  
times, and my nerves were in wretch-  
ed condition and kept me on pins  
and needles all the time. My stomach  
would gripe me something awful and  
my legs ached so I could hardly  
stand on my feet at times.

"Although I have taken but one  
bottle of Stella Vitae I already feel  
a world of difference. Indeed, it  
helped me so wonderfully that I have  
told a friend of mine about it and  
advised her to try a bottle."

Stella Vitae may be obtained from  
W. H. Windrow and the purchase  
price will be refunded if it fails to  
bring relief.

**BATOT-HUTZLER.**  
A wedding of much interest and  
delight to the people of Hondo and  
this entire community, where both  
parties are highly esteemed and pop-  
ular, occurred at Bryan, Texas, on  
Thursday, November 29th, when Miss  
Ethel Mae Hutzler (better known as  
Bugs) became the bride of Mr. Mil-  
ton John Batot, one of Hondo's fore-  
most young men, only son of Mr.  
and Mrs. Felix Batot.  
The bride is the lovely and ac-  
complished young daughter of Mrs.  
Sadie Hutzler, who just recently re-  
tired from a most successful busi-  
ness career of 18 years.  
The young couple will make their  
home at Bryan, Texas, where Mr.  
Batot is a member of the Junior  
class of the Agricultural and Mechan-  
ical College, taking a course in Archi-  
tecture.  
Mr. and Mrs. Batot graduated from  
the Hondo High School in 1921. In  
the fall of the same year, deciding  
to reach for higher education, the  
groom entered the Texas A. & M.  
College while the bride went to Little  
Rock, Arkansas to study Art.  
The Anvil Herald joins with this  
entire community in best wishes for  
the welfare and happiness of these  
young people who are beginning the  
journey of life under such bright  
and promising conditions.

**RED CROSS ROLL CALL  
AND CHRISTMAS SEAL  
SALE ARE DISTINCT**  
At a joint meeting of the National  
Committee of the American Red Cross  
and the National Tuberculosis Asso-  
ciation, held recently, an agreement  
with regard to the campaigns con-  
ducted annually by each organization, which  
follows each other only a day apart  
this year, was reached. The American  
Red Cross will conduct its Roll Call  
from November 11th to November 30th.  
The National Tuberculosis Association  
will conduct its nation-wide sale of  
Christmas Seals from December 1st  
to January 1st.  
A statement issued jointly by the two  
organizations says that undoubtedly the  
effectiveness of the mutual understand-  
ing depends in large measure upon the  
extent to which the local workers of  
both organizations adhere to the agree-  
ment. Overlapping of effort will be in-  
jurious to both causes, the two national  
organizations believe, and it is of  
great importance that this idea be thor-  
oughly understood by the local workers  
in both, according to John Barton  
Payne, chairman of the American Red  
Cross, and Dr. Alexander Miller, president  
of the National Tuberculosis Asso-  
ciation.  
The official statement of the two or-  
ganizations follows:  
1. There is no official connection  
between the campaign of the Na-  
tional Tuberculosis Association and  
that of the American Red Cross.  
2. There is to be no use of the  
Red Cross emblem by the National  
Tuberculosis Association.  
3. The title of the American Red  
Cross is not to be used in the sale  
of Tuberculosis Seals.  
4. The dates of the American  
Red Cross Roll Call are to be No-  
vember 11th to November 30th, in-  
clusive; and the National Tubercu-  
losis Association's sale of seals  
begins December 1st and continues  
until January 1st.

## WHAT DO YOU READ EVENINGS?

With old Sol tucking himself into bed early, there will be lots of time for evening reading in the next few months. It's wisdom to lay in a supply of good books and magazines now.

Here is one of the best bargains of its kind in the world:

### THE OPEN ROAD

an interesting monthly magazine, and your choice of one of these famous books:

Blazed Trail Stewart Edw. White  
The Trimmed Lamp O. Henry  
Lord Jim Joseph Conrad  
Return of Sherlock Holmes C. Doyle  
Haunted Bookshop Chris. Morley  
Magnificent Ambersons B. Tarkington  
Ivanhoe Sir Walter Scott  
Alice's Adv. in Wonderland L. Carroll  
Separately they would cost \$3.40, but the combination price is only \$2.60.

The books are full size, richly bound in English red leather, and beautifully printed,—a splendid addition to your library or a fine Christmas gift for your best friends.

The Open Road comes 12 times a year. It's a magazine that hits the "men folks" just right, and the women and girls are reading it with equal interest. Stirring stories of life in great cities, in the deep woods and on western plains fill the pages of The Open Road, also articles on business opportunities, athletics, exploration and adventure in far countries, and on the personal problems of life. President Coolidge has recommended The Open Road highly.

It's a helpful as well as an entertaining magazine,—just what your family will enjoy.

Don't delay getting this remarkable double bargain. Send today to Fletcher's Farming, Hondo, Texas, and state what book you want. Your subscription will be forwarded to the publishers at once.

Subscribe through this office and receive a year's subscription to Farming Free.

## TO THE HUNTERS AND PEOPLE GENERALLY.

The Medina Co. Game Protective Association is asking cooperation of everyone in protecting game and observing the game laws at all seasons of the year.

This section is one of the favored spots in the United States for raising deer and turkey, also quail, but the public has taken very little interest in its protection. For that reason game is becoming scarcer each year.

So all people who like to hunt wild game must observe the laws of the State if they expect to have anything to hunt in the future.

Any one desiring to hunt on the premises of the members of this association must get a written permit. Otherwise, if they are caught trespassing, they will be prosecuted.

Very Truly,  
E. J. MURRAY,  
Game Warden.

## "YANCEY TIGERS ARE THANKFUL."

When the Tigers defeated Dilly High on Thanksgiving they felt like they had only two things to be thankful for—that they beat Dilly with the overwhelming score of 14-2, and that they had a chance to drink to their heart's content at the confectionery after the game.

Regardless of the big Thanksgiving dinners some of the men might have enjoyed, they left it and made the trip to Dilly. The day dawned bright and sunshiny and every one was in great spirits.

A large crowd witnessed the defeat handed Dilly, the team that had previously defeated Yancey.

In the beginning of the game it looked as if Dilly might turn the trick again, for in the first three minutes of play, Harris made a long shot count well. But after this score, due to the close guarding of the Tigers and the impregnable defense, the "Bobcats" were unable to score again.

Bohmalk, the long and lanky center, again showed his stuff in this game. His high jumping and classical guarding featured. Bohmalk has shown up well, this being only his first year as a first stringer.

To Milton Oeffinger, light and star forward, goes the honor of being high point man, he scoring 6 of the 14 points. C. Crain with four points, and Radetzky, with four points, were the other point gainers. Oeffinger, though light in weight, has already proven his worth to the team. He plays the whole court and on the defense, as well as the offense, he is hard to beat.

The splendid guarding of the Yancey guards delt misery to the Dilly "Bobcats" and that's where the trouble came in.

Yancey is a strong contender for the county championship and everyone ought to help them out by encouragement. Let the boys know you are behind them; be loyal to your school and team.

Here of late, there have been some disloyalists who have been trying to discourage the boys. Any one that does not have the loyalty to encourage the team should not express his opinions abroad.

### TO THOSE IN ARREARS.

Most of our subscribers renew their subscription, but there are some who settle up annually in the fall and occasionally some one over-looks this little matter and lets a year or two slip by unnoticed. This little reminder is to request all who can to remember the printer when making their fall settlements. Fair crops and good prices have made money fairly easy for most people. Pay these small amounts to the printer and make it "easier" for him.

We thank you—now!

Very gratefully,  
The Editor.

P. S.—Remember that for 50c additional you get our Farm paper with your local paper. Risk four-bits on it and give it a year's trial.

### NOTICE TO PUBLIC.

I am putting in a line of pipe tees, elbows, cut-offs, float valves, globe valves, etc. When in need of this line of goods call on me.

## A SUGGESTION FOR CHRISTMAS

Haven't you often found it pretty hard to choose Christmas gifts for your men friends and relatives? Neckties, collars, socks are usable of course, but once in a while it's better to give something different, something that will bring long-continued pleasure and enjoyment.

What could you get inexpensively that would be more appreciated than a famous book which can be read with interest over and over again? Or a magazine which prints just what men like to read and which will bring pleasant reminders of the giver throughout the whole year?

Here is an economical combination for you which just "fills the bill":

### THE OPEN ROAD

an interesting monthly magazine, and your choice of one of these famous books:

Blazed Trail Stewart Edw. White  
The Trimmed Lamp O. Henry  
Lord Jim Joseph Conrad  
Return of Sherlock Holmes C. Doyle  
Haunted Bookshop Chris. Morley  
Magnificent Ambersons B. Tarkington  
Ivanhoe Sir Walter Scott  
Alice's Adv. in Wonderland L. Carroll  
Separately they would cost \$3.40, but the combination price is only \$2.60.

The books are full size, richly bound in English red leather, beautifully printed. They make a splendid addition to any one's library.

Then there is a treat in store for the men to whom you give The Open Road, a treat that will come 12 times a year. Prepared especially for young men, the magazine has won its way into the hearts of men of all ages. Stirring stories of life in the deep woods, on western plains and in the business world of great cities fill its pages, and there's many a good laugh in every number. Also there are up-to-the-minute articles on business opportunities, athletics, exploration and adventure in far countries and on the personal problems of life.

President Coolidge says, "The Open Road is clean, animated, and of genuine inspiration for courageous living."
